Healthpeak Properties™ Prices \$600 Million of 2.875% Senior Unsecured Notes due 2031

IRVINE, Calif., June 9, 2020 /PRNewswire/ -- Healthpeak Properties, Inc. (NYSE: PEAK) announced today that it has priced a public offering of \$600 million aggregate principal amount of 2.875% senior unsecured notes due 2031. The price to investors was 99.125% of the principal amount of the notes.

Healthpeak intends to use the net proceeds from the offering (i) to fund the redemption, prior to their stated maturity date, of all \$300 million aggregate principal amount of the 3.15% senior notes due August 2022 that are outstanding, and the payment of accrued interest and related fees, premiums and expenses in connection therewith, and (ii) to fund the purchase price for its previously announced tender offer to purchase for cash a portion of its 4.250% senior notes due November 2023 and the payment of accrued interest and related fees, premiums and expenses in connection therewith. Healthpeak intends to use any remaining net proceeds, including in the event that it does not achieve full participation in the tender offer, for general corporate purposes, including repayment of any outstanding borrowings under its revolving credit facility (without any permanent reductions in the commitments thereunder) and/or to repay any outstanding commercial paper.

The offering is expected to close on June 23, 2020, subject to the satisfaction of customary closing conditions.

Wells Fargo Securities, Barclays, BofA Securities and Morgan Stanley are acting as joint book-running managers for this offering.

This offering is being made pursuant to an effective shelf registration statement and prospectus and a related preliminary prospectus supplement filed with the Securities and Exchange Commission.
