## Healthpeak Properties Prices \$500 Million of 2.125% Senior Unsecured Notes due 2028 in a Green Bond Offering

DENVER, Nov. 15, 2021 /[PRNewswire](#)/ -- Healthpeak Properties, Inc. (NYSE: PEAK) announced today that it has priced a public green bond offering of \$500 million aggregate principal amount of 2.125% senior unsecured notes due 2028. The price to investors was 99.398% of the principal amount of the notes.

The estimated net proceeds of the offering, after deducting the underwriting discount, original issue discount and fees and expenses payable by Healthpeak, are expected to be approximately \$492.4 million. Healthpeak intends to fully allocate an amount equal to the net proceeds from the offering to finance or refinance, in whole or in part, one or more eligible green projects. Pending such allocation, Healthpeak intends to use the net proceeds from the offering for the repayment of debt, including outstanding borrowings under its revolving line of credit facility and/or any outstanding commercial paper.

The offering is expected to close on November 24, 2021, subject to the satisfaction of customary closing conditions.

Wells Fargo Securities, J.P. Morgan, PNC Capital Markets LLC, Credit Suisse and Goldman Sachs & Co. LLC are acting as joint book-running managers for the offering.

The offering is being made pursuant to an effective shelf registration statement and prospectus and a related preliminary prospectus supplement filed with the Securities and Exchange Commission. This press release shall not constitute an offer to sell or the solicitation of any offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
